MRS. RACHEL CAMPBELL, wife of hoeing in the garden—on seating herself in an easy chair to rest, she immediately became unconscious of everything around her. Her daughter passing through the room, addressed her, but re ceived no answer; supposing her to be very weary or sleeping, she did not wish to disturb her. Afterward her son in passing through the room addressed her, and receiving no answer was alarmed and her condition was discovered. The only signs of intelligence was a nod and shake of the head in answer to questions concerning the calling of a physician She walked with assistance to the bed and partially undressed preparatory to lying down. From that time up to the time of her death all efforts to arouse her were unavailing. Drs. Workman, Estep and Parks were called, and done everything in their power for her relief but human aid was unavailing, and the community is called to mourn the loss of one every way worthy of their highest
